To build a sleek, minimalist business landing page, consider organizing the content into this 6-section structure:

1. **Hero Section:** Clean typography with high-impact tagline ("*Engineering, Infrastructure & Energy Solutions for the Modern Era*"), CTA button ("*Explore Our Projects*"), and trust badges (CAC, BPP, NUPRC, NEMSA).
2. **About Us:** Established pedigree (incorporated in 1999), vision, and summary of operational excellence across Nigeria.
3. **Core Services:** 4-column minimal grid covering *Civil Infrastructure, Energy & Oil/Gas, Renewable Systems*, and *Telecom Distribution*.
4. **Featured Projects:** Case studies showing Greenville LNG LCNG Station, NASENI/SEDI projects, and MTN partnership.
5. **Accreditations & Compliance:** Clean logo cloud featuring BPP, PENCOM, NSITF, NUPRC, NMDPRA, NEMSA, and NCC.
6. **Footer / Contact:** Direct email links, phone numbers, and physical office addresses in Maiduguri.
